

REPORT BY AN INDEPENDENT CERTIFIED AUDITOR ON THE REVIEW OF THE INTERIM CONDENSED CONSOLIDATED FINANCIAL STATEMENT

To the General Assembly and Supervisory Board of Boryszew S.A.

Introduction

We have conducted a review of the accompanying interim condensed consolidated financial statements of Boryszew Capital Group (the "Capital Group"), the parent company of which is Boryszew S.A based in Warsaw Jagiellońska street No. 76 (the Parent Company"), comprising the consolidated statement of financial position as at 30 June 2017 as well as consolidated statement of comprehensive income, consolidated statement of changes in equity and consolidated statement of cash flows for the period of six months ended on this day plus other notes (explanations).

The preparation and reliable representation of the interim condensed consolidated financial statements in accordance with the International Financial Reporting Standards concerning interim reporting (IAS 34) approved by the European Union is the responsibility of parent Company Management Board. Our responsibility was to present conclusions on this interim condensed consolidated financial statement based on the review conducted by us.

Scope of the review

We have conducted the review of the interim consolidated financial statements according to the provision of the Polish Auditing Standard 2410 as stipulated by the International Auditing Standard 2410 "Review of interim financial information performed by the independent auditor of the entity" adopted by resolution No. 2783/52/2015 of the National Council of Statutory Auditors in Poland (KRBR) dated 10 February 2015, with subsequent amendments.

Review of interim financial information involves enquiries, mainly to persons responsible for financial and bookkeeping issues and it also involves analysis and other review procedures. The review features a significantly narrower scope than and audit carried out pursuant to the Polish Auditing Standards. The result of such review is not sufficient to obtain certainty that all material issues, that would otherwise have been identified during an audit, have been disclosed. Considering the above we are not expressing our opinion on these interim condensed consolidated financial statements.

Conclusion

On the basis of the review we have not identified anything which would prevent us from ascertaining that the condensed interim financial statements were prepared, in all material aspects, in accordance with the requirements of International Accounting Standard 34 "Interim Financial Reporting."
